

Alexis Eastburn

CHILDREN'S BOOK ILLUSTRATOR & VISUAL DEVELOPMENT ARTIST

PROFESSIONAL EXPERIENCE

Freelance Artist (specializing in children's books)

Reedsy | Remote | Oct 2023-Current

- Create visuals, character designs and illustrations that appeal to a broad audience based on the author's descriptions.
- Prepare layouts and drawings in compliance with established templates and design standards.
- Regularly Communicate with the author one on one about updates and to provide any changes and edits necessary according to feedback.

Children's Book Illustrator (Part Time)

Palmetto Publishing | Remote | Dec 2021-Oct 2023

- Create visuals, character designs and illustrations that appeal to a broad audience based on the author's descriptions.
- Prepare layouts and drawings in compliance with established templates and design standards.
- Communicate with the Art Director to provide any changes and edits necessary according to feedback.

Online Art Teacher (Part- Time)

Art Plus Academy | Austin, TX | January 2019-Current

- Teaching kids and adults the fundamental of art through a variety of traditional mediums, as well as digital art and animation, in classroom setting and online campus.

Co-Owner and Digital Entrepreneur

Bear & Pixie Art Studios | Eugene, OR | NOV 2019-Current

- Create custom Stationary items, Art prints, and Children's books/comics to sell in online store, and at artist conventions.
- Social media Manager and Marketer
- Compile and maintain record and bookkeeping, managing day to day operations

Assistant Illustrator

Brain Chase | Austin, TX | OCT 2019-March 2020

- Created backgrounds and game pieces
- Show a variety of thumbnails for each individual illustration before final look
- Communicate edits via phone and email with the senior artist

Freelance Artist (Receive Projects on Retainer)

"Departure" (April 2019-May 2019) "Hominids" (November 2019-July 2019)

Infinite Fountains Studio | Austin, TX |

- For "Departure" I created eight illustrations to use to present the film as part of the pitch to Netflix
- For "Hominids" I am the character designer and illustrate scenes from the storyboards, currently over 40 illustrations for presentation.
- Showed a variety of thumbnails for each individual illustration before final look
- Communicated edits via phone and email with the director
